

SEGUNDA CHAMADA

A Prefeitura do Rio, por meio da Secretaria Municipal de Saúde, vai promover a testagem de 5 mil taxistas em parceria com o aplicativo TAXI.RIO. A proposta é que os profissionais, considerados essenciais e que trabalham expostos ao risco de contaminação pelo novo coronavírus. A ação começa na próxima segunda-feira, dia 15, e deve durar 10 dias. A ideia é que o serviço funcione como a vacinação drive-thru, sem que o motorista precise deixar o veículo e, assim, evitando aglomerações.

QUEM PODE FAZER O TESTE?

Os profissionais serão selecionados a partir do critério de maior exposição, aferido pelo número de corridas realizadas pelo aplicativo durante os meses de isolamento e restrição social (abril e maio).

ONDE E QUANDO REALIZAR O TESTE?

Os testes serão realizados de segunda a sexta-feira, entre os dias 15 e 26 de junho, das 10h às 15h. Para evitar aglomerações, para cada RATR haverá uma data de testagem correspondente. Para realizar o teste, basta comparecer ao Sambódromo, pela entrada da Avenida Salvador de Sá - SETOR 11. **Antes de sair de casa, confirme se seu RATR consta na lista dos taxistas selecionados e verifique a sua data para realização do teste (Veja a tabela abaixo).**

O QUE LEVAR?
